Matthew is a session stylist based in London with over 25 years' experience in the fashion industry

Having come from a family of hairdressers at the age of 16 he trained at Harrods Hair & beauty salon.

On becoming freelance he started working on editorials, advertising, and hair commercial which in turn lead him to working in the celebrity world, getting actors and actresses ready for red carpet events and junkets, also the music industry working with bands and solo artists

Matthew soon became the go to hair stylist for some of Britain's most iconic talent including Honor Blackman, Twiggy, who has been a long-standing client and the phenomenal Kate bush.
